Dear Mr. Shelton,

I tried to reach you by telephone this evening, but the operator in Tuscaloosa had no listing for you. Since you probably have an unlisted number I am therefore taking this means to contact you.

I joined the United Klans shortly after moving into Penna. from Ohio & was sworn into the Klan by Roy Frankhouser of Reading, Pa. who says his title is that of Grand Dragon of Pa.

As you probably know the U.K.A. had a very inactive & unproductive Summer in Pa. under Roy's leadership as he was too busy spending weekends in the Baltimore area speaking at Klan rallies to help us here in the Philadelphia, Reading area.

Recently I have been attending Klavern meetings in Phila. held by George Houser. George seems to be doing a lot more organizing & activity wise for the Klan than Roy & I have been doing my best to help him.

At a meeting a couple of months ago Vernon Neimaster who was up from Baltimore said that Roy Frankhouser had been dropped from the U.K.A. & that George Houser would be acting as Klan organizer in this area on your orders.

Since then however both Roy Frankhouser & a Mr. Grover Deskins of Newark Del. a old crony of Mike Desmonds have claimed to be leaders of the Klan here in Pa. on your orders.

Mr. Shelton I would appreciate it if you would inform me of just who in this area I should owe my allegiance to. Right now there are three supposed leaders in this area & it is very difficult to determine who is telling the truth & who is lying. I want to be of as much possible service to the United Klans of America as is possible & do not want to jeopardize my status with the U.K.A. by backing & helping the wrong man.

I hope we will have a more active Summer rally wise this year in Pa. than last as I believe thru rally our membership in this area will swell considerably.

I realize you are a very busy man, but I do hope you will answer this letter as a lot of other Klansmen in this area have the same doubts as I have voiced to you.

If you are to busy to write I wish you would call & collect any evening & straighten this matter.

With sincere wishes for a prosperous New Year to you & your family I remain,

Respectfully yours,

Alan C. Rackliffe

On 1/16/67, [REDACTED], who has furnished reliable information in the past, advised that there has been absolutely no UKA activity in the NYC area for some time.

b7D

ROY FRANKHOUSER of Reading, Pennsylvania, who was supposed to organize UKA activity in the NYC area, has communicated with no one in the NYC area since the middle of last year, 1966.

JIM JOSEPH has never formally resigned his position as head of the Klan Bureau of Investigation (KBI) in the NYC area, a title conferred on him by FRANKHOUSER in July, 1966. However, in view of the complete lack of activity by the UKA in the NYC area, this title is a title in name only and carries no real authority.

"At about 5:45 p.m., this date, ROY FRANKHOUSER and [redacted] met by accident at the Reading, Pa., Post Office, and briefly discussed their respective activities. [redacted] said that he had been working long hours and had not been active in any racial activities.

b6

"FRANKHOUSER related that he had been traveling 'down south' and mentioned Virginia, North Carolina, and Washington, D. C. He said he had been doing a lot of reading, but had also met with some Minuteman Leader (who he did not name) in Maryland. According to FRANKHOUSER, all Minuteman activity is now underground.

"FRANKHOUSER said that when he was in Philadelphia recently for his trial with respect to the activity in Kensington he had dinner with HANS SCHWEIKERT. SCHWEIKERT, according to FRANKHOUSER, is still working in Philadelphia, but comes to Reading, Pa., weekends. FRANKHOUSER said that SCHWEIKERT does not contact him during these visits, but spends time with ED LOTZ, and FRANKHOUSER has not had any recent contact with LOTZ, SCHWEIKERT (except in Philadelphia) or with SINGLETON.

"FRANKHOUSER related that REGINA KUPISZEWSKI left Reading, Pa., on January 20, 1967, and is now living with relatives in Chicago, Ill. He said that she has a job there and is happy. He is still sending her \$5.00 a week towards [redacted] as he agreed. FRANKHOUSER said that he saw REGINA before she left, and that she was all dressed up, had new clothes, and looked good. He also claimed that he had recently borrowed \$300 from a bank and had paid off some of the bills he had outstanding, although he still owes a 'big bill to the printer.'

PLCB drops one of charges against city pub

Special to the Times

Allentown — One of three charges against the Court Pub. Inc., 26-28 N. 6th, Reading, wasn't pressed Wednesday at a Pennsylvania Liquor Control Board (PLCB) hearing here because PLCB authorities can't locate three persons to subpoena as witnesses.

Harry C. Woodington, an agent, said he was unable to locate Roy E. Frankhouser Jr. of Reading, who has claimed to be Grand Dragon of the Ku Klux Klan in Pennsylvania; Charles F. Graul, a friend of Frankhouser; and Donald DeTurk, a local salesman.

Frankhouser and Graul were involved in a fight at the tavern April 28, 1965, with Reading racket figures. Frankhouser lost an eye as a result.

The case went to court but charges were dropped against three racket figures charged with beating Frankhouser. DeTurk was a witness to the fight. Arthur T. Gillespie Jr., attorney for the PLCB, said four Reading policemen were present to testify but they would not because without Frankhouser, Graul and DeTurk the police testimony couldn't sustain the charge of operating in a noisy and disorderly manner April 28.

The other charges, sales after hours and permitting entertainment during prohibited hours, resulted from a visit Sept. 18, 1965, when Woodington said he was served drinks after 2 a.m. and a band was playing after 2 a.m.

He also testified that he was served after hours Nov. 13, 1965.

Baltimore, Maryland
February 6, 1967

On the morning of February 4, 1967, an individual by the name of LES who stated he was from Klavern number 2, telephonically communicated with VERNON NAIMASTER at his home at approximately 11:00 am, and told VERNON that he was calling at the suggestion of FRED for the purpose of representing number 2 at the E.C.'s meeting. VERNON thereupon stated that the meeting would be held at 8:00 pm that night, at his house.

LES FRISCH was observed to arrive at the home of VERNON NAIMASTER about 7:45 pm, on that night at which time he went into the basement and subsequently the following individuals were known to have been at this meeting: TONY, from number 1; VERNON NAIMASTER, the Great Titan of the UKA in Maryland; ELMER from number 6, DE WITT, BERNIE from unit number 3; and a man by the name of CURTIS KNAPP, who has telephone number [REDACTED]. This latter individual was presumably at the meeting at the specific invitation of NAIMASTER. The meeting began at 8:00 pm, and ended at 12:30 am. VERNON NAIMASTER was overheard to tell LES that it was particularly nice to have a representative from number 2 present as they had not been represented for 6 or 8 months and that applications that had been received from applicants in the territory of Klavern number 2 had been given to TONY. NAIMASTER mentioned the fact that a number of ministers in the Upper Baltimore County area are pro-communist by profession.

b6
b7c

It was also brought out at the meeting that TONY of number 1 unit had been arrested and the newspaper article of January 31, 1967, concerning his having pushed a school teacher was read. The legal fees and the fine against TONY amounted to \$175.00 and NAIMASTER suggested that contributions be obtained from the various Klaverns to defray this expense. He also stated that they are discussing with their counselor the possibility of suing the newspaper and the reporter for implying that TONY was a Klansman.

NAIMASTER also mentioned the fact that ROY FRANKHOUSER of Pennsylvania had received an

Imperial Summons to appear in Alabama to explain his denunciation of the Klan and also concerning his exposure of some of the Klan secrets.

NAIMASTER also stated that CHARLES LUTHARDT has made numerous requests to join the Klan in the past and is at this time going to be accepted and will be made the Propaganda and Publicity State Official for the UKA working directly under NAIMASTER. He must, however, first publicly withdraw from his membership with FAN. His actions would be supervised by NAIMASTER who would in all cases have to first approve all publicity prior to being released and LUTHARDT will have no official jurisdiction over any of the E.C.s or the Klansmen.

BERNIE and DE WITT both objected strenuously to this development but no change was made by NAIMASTER.

On March 4, 1967, BERNIE's Pasadena group is to have an open house for Klansmen and his friends at the Klavern Headquarters at which time they will conduct a regular meeting except for the treasurer's report and other confidential matters. The press and television will be invited to attend. It was also pointed out that BERNIE is in the process of moving into a different house, but the new address was not mentioned.

A Klan rally is scheduled for the first Sunday after Easter, but the exact location has not yet been set.

There was a long discussion regarding the uniforms to be used for security guards and the method of getting payment for them. They estimate that these uniforms cost approximately \$40.00 per man.

CURTIS KNAPP was appointed by NAIMASTER to be the head of the Klan Security Guard. KNAPP is a White male, about [] years, 5'10", 200 lb., with [] hair. He has a mean look. During the course of the meeting, he went upstairs and got his .45 Colt automatic with a shoulder holster

b6
b7C

to show to the various members present, and it was also noted that he carried 2 extra clips for this weapon in his belt.

ELMER claimed to own a .32 caliber automatic which does not have any serial number on it and consequently it cannot be hocked or sold. KNAPP showed interest in this and asked ELMER to bring it to the next meeting.

BERNIE stated that he has a policetype radio receiver for sale for \$25, that he had paid \$30 for sometime ago, but admitted that it needed some work doing on it. He also claimed that this receiver would receive the Baltimore Police Department calls. This time ELMER mentioned that when they had had cross burnings in the area that an unnamed volunteer fireman who had been of considerable value to them had a police radio in his car, and had tipped them off regarding police activities.

VERNON NAIMASTER also stated that he planned to file for election as a delegate to the State Constitutional Convention.

It was also stated that all the right wing organizations are getting together to support GEORGE WALLACE, for the presidency in 1968.

NAIMASTER emphasized that he wanted everyone to be on the lookout for suitable grounds that could be used for Klan rallies.

A shrimp feast is planned by Klavern number 3 for February 26, 1967.

The next E.C.'s meeting is scheduled for March 11, 1967. Concerning other Klaverns it was brought out that ELMER says his Klavern meets generally every two weeks, and TONY stated his Klavern meets on alternate Saturdays and Sundays.

ELMER told NAIMASTER that the man in Elkton had not done anything about forming a new Klavern in Elkton, and it was decided that ELMER should check with him and if no action has been accomplished, plans should be made to take the Elkton people into Elmer's Klavern.

VERNON NAIMASTER gave out printed cards of [redacted], Baltimore, 22, Md., telephone number [redacted], and recommended her for for the purpose of typing letters, preparing income taxes, and serving as a notary public. He also stated that she has a confederate flag in her home.

b6
b7C

DE WITT brought a supply of printed matter with the following headings for sale to and distribution by the various Klaverns: "Reds Plot Death, Americans Over Age 30"; "The Principles Of The UKA"; "Why You Should Become A Klansman"; "Membership and Dues Record"; "The Practices of Klanishness".

MINUTEMEN

On March 24, 1967, Confidential Informant PH T-1, who has furnished reliable information in the past, advised that ROBERT B. DE PUGH, Chairman of the Patriotic Party, appeared for a speech at the Holiday Inn, Media, Pa., March 23, 1967, in the Brandywine Room. He advised that approximately 75 people were in attendance at the meeting. He stated that approximately 20 people, whom he did not know, had a private meeting with DE PUGH.

At the meeting leaflets and newspapers of the organization were passed out.

During his speech DE PUGH gave a resume of the history of the Minutemen in the United States, and he also dwelt for a considerable length of time on his recent conviction by the United States Government in a matter involving guns. DE PUGH claimed that the witnesses used by the United States Government had been intimidated, doped, and forced to testify against him.

A characterization of the Minutemen is attached.

DE PUGH admitted during a question and answer session after his main address a connection between the Patriotic Party and the Minutemen. He said that the Minutemen were the internal security force of the Patriotic Party, although he also tried to say that there was a separation between the two.

He was also asked a question regarding the leadership of the Minutemen and the Patriotic Party while he will be serving a prison term and probation. DE PUGH said that he had in mind 20 individuals who would be capable of taking care of affairs while he is out of circulation.

MINUTEMEN

It was also announced at the meeting by DE PUGH that he was going to contact all the political parties of the right wing, such as the Constitution Party, the Conservative Party, the American Constitution Party, etc., to invite them to a national meeting in Kansas City, July 3, 4, and 5, 1967, to iron out their differences and for all of them to become one group. He indicated that as of the present time, the right wing is split into many different political organizations and has lost effectiveness because of the fraction. He pointed out during this part of his speech the Patriotic Party was without a doubt the best of the right wing parties and would be most effective if the other organizations cooperated with them.

He also said that when "they", meaning world Communism, come into the United States to take over the country, it would be well for all patriots to have \$25.00 invested in shotguns and buckshot stashed away in a closet in one's residence. The gun and shells would be behind a false front book shelf or hanging space in a closet. This was necessary because when "they" took over, each individual would have to defend himself as best he could and \$25.00 was a cheap price to pay for protection.

He also explained that "they" have plans to give every individual a number when he is born. This number will follow an individual throughout his life, and it will be fed into a bank of computers and the individual will be given a card, such as a credit card. All of his wages will be fed into a computer and all of his purchases made through the credit card of everything in life will be fed into a computer. This way individuals will only have numbers and no one will have any cash whatsoever.

Confidential Informant PH T-1 also advised that he recognized ROY E. FRANKHOUSER, former Grand Dragon of the Pennsylvania United Klans of America, Inc., Knights of the Ku Klux Klan (UKA, KKKK); CHARLES KNOWLES, and GEORGE HOUSER, current leader of the Pennsylvania UKA of Upper Darby, Pa., at the meeting.

A characterization of the UKA, KKKK, is attached.

MINUTEMEN

During the question and answer period, FRANKHOUSER asked a long rambling question in which he was critical of Federal agents in the DE PUGH case in Missouri and also of the investigating activities in Pennsylvania.

APPENDIX

CHARACTERIZATION OF ORGANIZATIONS

"MINUTEMEN"

"Minutemen" was organized in June, 1960. Its present headquarters is Norborne, Missouri, and ROBERT B. DE PUGH, Norborne, is its present leader. Statements by DE PUGH and literature distributed by the organization indicate its purposes to be the resistance to and exposure of the spread of Communist influence within the United States, for the formation of a guerilla or underground organization to combat the troops of any foreign power which might attempt to occupy this country, and resist passage of laws which would restrict private ownership of firearms.

It was learned that WILLIAM SICKLES, Grand Dragon of Maryland of the Interstate Klan, had stated that one ROY FRANKHOUSER of the United Klans of America had defected from that organization and was to join the Interstate Klan. It is believed that he would probably be appointed as Grand Dragon of Pennsylvania for the Interstate Klan if a group was made active there.

It is believed that there are only two active units of the Interstate Klan, one in Virginia and one in Wheaton, Maryland.

As of today, the system of raising money used by the Interstate Klan is still a dues of \$3.00 monthly from each member plus the \$10 initiation fee. In addition members are still assessed for special purposes such as the lawyers fund which is to be used in the event Interstate Klan Members get into legal difficulty and also for the purpose of purchasing dogs to be trained for protection work.

Members of the Interstate Klan still come to the meetings armed and the meetings are brought to order by WILLIAM SICKLES who gives a Nazi style salute in doing so.

ASSASSINATION OF PRESIDENT
JOHN FITZGERALD KENNEDY,
NOVEMBER 22, 1963,
DALLAS, TEXAS

A source who has furnished reliable information in the past, advised on March 31, 1967, that ROY E. FRANKHOUSER, Reading, Pa., said he wants to get from his (FRANKHOUSER's) records, which are in a secure place, but not readily available to him, some letters from a man named PAYNE (phonetic). FRANKHOUSER advised he intends to send these letters to New Orleans District Attorney GARRISON for his assistance in his present investigation into the death of President KENNEDY.

FRANKHOUSER did not say what significance these letters have or PAYNE's connection with the assassination or present investigation, if any.

This source is aware and has repeatedly said that FRANKHOUSER, who claims to be Grand Dragon of the United Klans of America, Knights of the Ku Klux Klan for Pennsylvania, is a liar, a braggart, and often makes impressive plans or statements which he never carries out.

Characterizations of the United Klans of America, Inc., Knights of the Ku Klux Klan (United Klans) and United Klans of America, Inc., Knights of the Ku Klux Klan, Realm of Pennsylvania, are attached hereto.

ROY E. FRANKHOUSER

On April 21, 1967, PH T-1 advised that several days ago he had observed ROY FRANKHOUSER, whom he knows by sight, to be wearing a "guard type uniform," which source thought was that of the Pinkerton Detective Agency. Source was not close enough to subject to observe any lettering on the uniform or badge.

PH T-2 advised April 28, 1967, that the previous evening ROY FRANKHOUSER told him that he, FRANKHOUSER, was now working for Globe Detective Agency at the Western Electric Plant at Laureldale, Pa.

ROY E. FRANKHOUSER presently resides at 133 South 4th Street, Reading, Pa..

On June 20, 1966, PH T-3 advised that ROY FRANKHOUSER had recently told him that he, FRANKHOUSER, was the Grand Dragon for the Pennsylvania Branch of the United Klans of America, Knights of the Ku Klux Klan (UKA, KKKK).

On June 21, 1966, subject appeared as a guest on Radio Station WCAU, Philadelphia, Pa., at which time he was introduced as the Grand Dragon of the UKA, KKKK, for the State of Pennsylvania. The subject made a speech, and later answered questions about the Klan which were phoned in by listeners.

PH T-4 advised on August 25, 1966, that at a meeting of Klavern 20 in Portsmouth, Va., one

member claimed that ROY FRANKHOUSER probably intended to turn the Pennsylvania Klan over to GEORGE LINCOLN ROCKWELL, head of the American Nazi Party (ANP), and that FRANKHOUSER's loyalty appears to be to the ANP and not the UKA, KKKK.

PH T-5 advised on March 7, 1966, that FRANKHOUSER is the Eastern Regional Director of the Minutemen of America and uses the code name Captain FRED DRISHMAN.

On August 12, 1966, August 15, 1966, August 18, 1966, and August 20, 1966, PH T-3 advised that FRANKHOUSER claims to be in possession of several guns, including the following:

Two .30 caliber carbines

One 12 gauge shotgun

One Russian Tokarev rifle

One Smith Wesson .38 revolver

One Thompson submachine gun

Four grenades

One tear gas pistol

One German anti-tank bazooka

On May 20, 1966, PH T-3 advised that FRANKHOUSER appears to be "cracking up" and acts like a person about to undergo a nervous breakdown.

APPENDIX

Characterization of Organizations

NATIONAL SOCIALIST WHITE PEOPLE'S PARTY
aka The American Nazi Party; American Nazis;
The World Union of Free Enterprise National Socialists;
The George Lincoln Rockwell Party

In his book, "This Time The World", copyrighted in 1961, George Lincoln Rockwell identified himself as Commander, American Nazi Party of the World Union of Free Enterprise National Socialists (ANP-WUFENS), Arlington, Virginia.

The April 4, 1963 issue of "The Richmond News Leader", a Richmond, Va., daily newspaper, reported that George Lincoln Rockwell, had, on the previous day, again applied for the American Nazi Party to be chartered in the State of Virginia, but this request was turned down by the Virginia State Corporation Commission. This action was taken pursuant to an act of the 1962 Virginia Assembly which prohibits use of "Nazi" or "National Socialism" in a Virginia charter. This article further pointed out that Rockwell's Party is presently chartered in the State of Virginia as the George Lincoln Rockwell Party.

On August 14, 1964, a source, who has furnished reliable information in the past, advised that ANP-WUFENS was organized by George Lincoln Rockwell at his residence in Arlington, Va., on February 26, 1956, as an international "National Socialist" movement based on the German Nazi Party headed by Adolf Hitler. He added that Rockwell is the dominant force and personality in this Party; that he is espousing a "line" of hatred against the Jews and Negroes; and that he is seeking, through speeches, distribution of literature and picketing, to establish a cohesive and dominant political party in the United States and in foreign countries.

According to the "Stormtrooper's Manual", an official publication of the ANP, the phases of ANP struggle for power are fourfold, namely, first "to make ourselves known to the masses"; second, "the dissemination of our program and truth about the Party"; third, "organizing the people who have been converted to our propaganda"; and fourth, "the attainment of power through the votes of the newly-won masses."

On August 19, 1966, the source advised that George Lincoln Rockwell presently believes that he has completed the first two phases in his struggle for power and is well into the third stage, to wit, "the organizing of the people who have been converted to our propaganda." The source added that Rockwell had previously believed that he would be elected Governor of Virginia in November, 1965, and when defeated, he made the statement that he was not ready for stage four.

(2)

~~CONFIDENTIAL~~

On December 27, 1966, the source advised that Rockwell mailed a communication to all members of the ANP entitled, "National Directive from the Commander, Effective 1/1/67". This communication reflected that the formal name of the Party would be "National Socialist White People's Party" and they would still be known as the "American Nazi Party" and "American Nazis" for short.

ASSASSINATION OF PRESIDENT
JOHN FITZGERALD KENNEDY,
NOVEMBER 22, 1963, DALLAS, TEXAS

In March 1967, a Philadelphia confidential source advised that ROY FRANKHOUSER, Reading, Pa., former self-admitted member of the American Nazi Party (ANP), who is also, according to another source, the deposed Grand Dragon of the Pennsylvania Branch of the United Klans of America, Inc., Knights of the Ku Klux Klan (UKA, KKKK) told [redacted] that he had had some letters from a person named PAYNE concerning the assassination of President KENNEDY. FRANKHOUSER said that these letters were among the files which he had entrusted to [redacted] for safekeeping.

b6
b7C

Characterizations of the ANP and UKA, KKKK are attached.

FRANKHOUSER, according to the source, wanted the letters because he planned to send them to District Attorney GARRISON in New Orleans, who is conducting his investigation of the assassination. He did not explain who PAYNE was nor what connection the letters might have had with the assassination.

On May 16, 1967, the source advised that FRANKHOUSER asked [redacted] if he had been able to locate the letters. He said it was urgent that he recover the letters because he had been in touch with Mr. GARRISON and expected to be subpoenaed to appear in New Orleans.

b6
b7C

[redacted] indicated that he had not located the letters but promised to search through the material as soon as possible.

b6

FRANKHOUSER reportedly said he had given the letters either to [redacted] or [redacted] and he had contacted the latter who insisted he did not have them.

b7D RICHARD SINGLETON said that he had been to see ROY FRANKHOUSER last [redacted] night, had met with him at FRANKHOUSER's home 133 S. 4th St., at about 10 PM. There had been others there too but under the "need to know" policy in effect SINGLETON did not identify any of the others present. He did say that he received some Minuteman Literature at the meeting.

b6
b7C ROY FRANKHOUSER and [redacted] talked by phone on the evening of Saturday, 5/13/67. FRANKHOUSER said that he had been away, but did not say where he had been. He told [redacted] that he had been working an average of 18 hours a day for Globe Protective when he had been with them, and that he had been let go only because REGINA's father saw him working and raised all kinds of hell with management. As a result they finally let him go and the records show that he was laid off for lack of work.

b6
b7C FRANKHOUSER asked [redacted] if he had been able to locate the "PAYNE Letters" FRANKHOUSER has with his files, and [redacted] indicated that he had not. FRANKHOUSER said that they must be in the file because they could only be there or in the possession of [redacted], and [redacted] has said he does not have them. [redacted] promised to look through the material of FRANKHOUSER's as soon as possible. FRANKHOUSER said that he has been in touch with GARRISON and that he expects to be subpoenaed. He told [redacted] that this was very urgent.

RALLY BY WHITE CRUSADERS
CEDARVILLE, NEW JERSEY
MAY 27, 1967
RACIAL MATTERS (KLAN)

Reference is made to memorandum dated May 26, 1967,
at Newark, New Jersey, under above caption.

A source who has furnished reliable information
in the past advised on May 27, 1967, that a rally sponsored
by the Cumberland County Chapters 1, 5, and 7, of The
White Crusaders of the North, was held during the hours
of 9:00 PM - 9:55 PM on Saturday, May 27, 1967. at

[redacted]
Cedarville, New Jersey. He stated that only thirty to
thirty-five white adults were in attendance at the rally.
He said that the Master of Ceremonies was Roy Frankhouser
from Reading, Pennsylvania, a self-proclaimed Grand Dragon
of the United Klans of America Incorporated, Knights of the Ku Klux
Klan (UKA) in Pennsylvania, who introduced the guest speaker
as Layton Braun from Baltimore, Maryland.

Source then remarked that as the rally got under
way approximately twenty-seven Negro males in their middle
twenties assembled around the speaker's stand and engaged
in heckling Frankhouser when he spoke following Braun.

Source commented that Braun spoke about the
communist conspiracy in the United States which is causing
white people to lose the power of their vote to the Negro

and blamed the communists for riling up the Negroes. Source said that Braun also criticized politicians for promising Negroes everything to get their vote and then called for all white people to organize for the preservation of white supremacy.

Source stated that Frankhouser's speech on white supremacy consisted mostly of answering the heckling of Negroes present.

Source said that at one point in the exchange Frankhouser claimed that the only black man he respected was Elijah Muhammad of Chicago who is also an advocate of segregation.

Source added that the Negro hecklers left the rally while Frankhouser was still speaking and shortly thereafter the rally came to the end with the burning of Martin Luther King in effigy.

Source commented further that no incidents or violence took place at the rally and no arrests were made by State or local police who were present in large numbers.

A characterization of the UKA appears in the appendix attached hereto.

Source previously advised on December 5, 1966, that Frank W. Rotella, Jr., deposed King Kleagle of the UKA in New Jersey, announced during December, 1966, that the White Crusaders of the North came into existence when the heads of the UKA in Delaware, Maryland, New Jersey, New York and Pennsylvania got together and decided that the UKA had too much of a bad name.

RALLY BY WHITE CRUSADERS
CEDARVILLE, NEW JERSEY
MAY 27, 1967

Source said that Rotella claimed that the White Crusaders was formed in a legal manner, operates in a legal manner, and accepts Jews and Catholics as members.

An article in the September 27, 1966, edition of the "Courier Post" Camden, New Jersey, a local newspaper captioned "Ex-Klan Aide Heads New Group" reveals that Frank Rotella, who claimed he resigned from the Ku Klux Klan in order to meet "personal obligations" announced on that date the formation of the White Crusaders to defend white Christianity from black power and terror. According to the article Rotella said he holds the position of Crusade Leader but did not name any other officers or persons connected with the new movement. He claimed that "the source of our power is our secrecy" and the fiery cross their symbol.

A second source, who was in a position to furnish reliable information, advised during October, 1966, that Layton Braun was formerly King Kleagle of the UKA in Maryland.

On May 27, 1967, at 10:45 PM, Assistant United States Attorney [redacted], Camden, New Jersey, was advised of the above information by Special Agent [redacted].

[redacted] then furnished the following information:

b6
b7C

He stated he was recruited into the United Klans of America, Inc., Knights of the Ku Klux Klan (United Klans) (UKA, Inc., KKKK) in the Reading, Pa., Klavern about one year ago. He said [redacted]

b6
b7C

[redacted] in Pennsylvania recruited him. He stated that to his knowledge, he was the only individual recruited into the Klan by [redacted].

He said he was sympathetic to the purpose of the Klan; namely, the promotion of Americanism, white supremacy, and segregation of the races.

[redacted] stated that during his Klan membership, ROY E. FRANKHOUSER, JR., 133 South 4th Street, Reading, Pa., was considered the Grand Dragon or the leader of the UKA, Inc., KKKK, in Pennsylvania. FRANKHOUSER was a poor organizer, but was a good speaker and spoke at numerous rallies in Pennsylvania and in other states.

b6
b7C

[redacted] never paid any dues to the Klan. He never attended regular meetings. He said that on several occasions he met with other Klan members at FRANKHOUSER's residence to discuss Klan activities.

b6
b7C

He stated he never recruited any members in the Klan and was never a Klan officer.

[redacted] stated that about six months ago, he became completely disillusioned with the members of the Reading Klavern and discontinued any Klan activities. He stated he is still friendly with FRANKHOUSER and visits him at his home occasionally.

They have a mutual interest as gun enthusiasts and collectors.

[redacted] stated that to the best of his knowledge, the peak membership of the Reading Klavern was approximately 12 individuals. He stated that there were approximately 50 Klan members in Pennsylvania. [redacted] stated that FRANKHOUSER gave him a book sometime ago [redacted]

[redacted] and requested [redacted] to [redacted]

b6
b7C

[redacted] said he [redacted] and gave the book back to FRANKHOUSER about two or three weeks ago. He could not recall the names of the individuals in this book. [redacted] stated that he dropped out of the Klan because he regarded most of the Klan members in the Reading Klavern as "idiots." He stated that [redacted] is no longer a member of the Reading Klavern, and he does not believe that [redacted] is a member of the Klan in any other state.

[redacted] stated he never attended a Klan leadership school, but did attend a Klan meeting for leaders and members at a locale in Newark, Del., sometime about March 1966. There were approximately 200 Klansmen in attendance. [redacted] went with [redacted]. He believed that FRANKHOUSER and [redacted] a Southerner who lived in the Reading, Pa., area, also attended that meeting.

b6
b7C

[redacted] stated that he also went with some Klan members from Reading and possibly Philadelphia, Pa., in a sound truck to the vicinity of possibly Dover, N. J., where they met with some Klansmen from New Jersey and burnt a cross about midnight. He stated the Klansmen just missed being arrested by the police on that occasion. He believed this was possibly six to nine months ago.

b6
b7C

He stated he cannot recall traveling out of state to any other Klan cross burnings or activities. He stated he never traveled to Tennessee on Klan business with FRANKHOUSER or alone. He met ROBERT SHELTON, Imperial Wizard of the National Klan, at the above mentioned leadership and members meeting in Newark, Del. [redacted] said generally he felt the Klan members receive the impression that SHELTON was living "high on the hog."

b6
b7C

[redacted] stated that FRANKHOUSER has been removed as Grand Dragon of the Klan in Pennsylvania. He did not believe

b6
b7C

that FRANKHOUSER is still a member of the Klan, but he has no verification of this statement. He stated that for all practical purposes, the Klan is non-existent in Pennsylvania.

He stated that during his Klan activities the Reading Klavern never had an important person or a key figure in the Reading Klavern. He stated that to his knowledge, the Reading Klavern has supervised all the Klan activities in Pennsylvania with the possible exception of the Philadelphia area, but it is now defunct.

He believed the former officers of the Reading Klavern were FRANKHOUSER as Grand Dragon and [redacted] and [redacted] as [redacted]. He stated [redacted] from Reading and [redacted] who reportedly came from Mississippi were also members of the Reading Klavern. He did not know [redacted].

b6
b7C

[redacted] stated that the members of the Reading Klavern used aliases, but he could not recall these aliases. He stated he [redacted].

b6
b7C

[redacted] stated that to the best of his knowledge, all of the members of the Reading Klavern had a personal firearm, but there was no cache of arms or ammunition. [redacted] stated he [redacted].

b6
b7C

He mentioned that [redacted] was formerly a member of the Klan in [redacted]; however, he believes [redacted] also dropped out of that Klavern.

b6
b7C

[redacted] stated that he received literature concerning the Klan, but never distributed it. He believed that most of the literature came from the Klan National Headquarters in Georgia. He believed that the Klansman, name not recalled, from New York who committed suicide in FRANKHOUSER's apartment was a partner with FRANKHOUSER in the publication of "The Free American." This paper was distributed in Reading. [redacted] did not know who printed this paper, but felt it was printed possibly in Reading or Philadelphia.

b6
b7C

[redacted] stated he does not believe any officers succeeded FRANKHOUSER as the Grand Dragon in Pennsylvania because of the inactivity of the Reading Klavern; however, he felt that [redacted] would be a logical successor if the Klan became reactivated in Reading.

b6
b7C

[] said he does not know how the Reading Klavern coordinated its activities with the National Klan, but felt that probably FRANKHOUSER received telephonic instructions from ROBERT SHELTON. [] said the Pennsylvania Klan was a very loosely knit organization with no leadership.

Negroes Crash Rally Of White Crusaders On New Jersey Farm

CEDARVILLE, N. J., May 27 (AP).—About two dozen Negro youths crashed a rally of the White Crusaders of the North near this Cumberland county farming community Saturday night.

The rally was called to burn a figure of Dr. Martin Luther King, Jr., in effigy.

There were no violent incidents. Of approximately 100 people at the rally, about 40 were State and local police in plain clothes.

The featured speaker, Frank Rotella, Jr., didn't show up for the rally. Rotella is the King Kleagle of the Realm of New Jersey of the United Klans of America of the Knights of the Ku Klux Klan.

GRAND DRAGON TALKS

Instead, Earl Frankhauser, the Grand Dragon of the Ku Klux Klan in Pennsylvania, took his place on the platform.

The rally was held in a field on an isolated farm owned by Allen Rauschert on Millville-Cedarville rd. Most of those attending the rally were believed to be Klansmen and their families, including small children.

Shortly after the rally started, the Negroes drove up in a group. About a dozen of them engaged in heckling Frankhauser, who aimed his remarks at them.

EFFIGY BURNED

At one point, when the Negroes became excited and upset over Frankhauser's remarks, the State police moved in to form a ring around the platform, holding clubs in their hands.

After the Negroes left, again in a group, the White Crusaders burned Dr. King in effigy. His figure had been hanging nearby throughout the rally.

ROY E. FRANKHOUSER

On the night of June 18, 1967, a source who has furnished reliable information in the past advised as follows:

Source said [redacted] had asked if source heard of the "big fight last night" and related to him that at 8:15 p.m., June 17, 1967, ROY FRANKHOUSER, RICHARD SINGLETON, and others of their group had a big fight with a large number of colored persons in the vicinity of FRANKHOUSER's home, 133 South 4th Street, Reading, Pa. According to [redacted], several police cars responded and broke up the altercation. She said the fight was caused by FRANKHOUSER's taking exception to a young colored male who was keeping company with a young white girl in the neighborhood.

b6
b7C

Records of the Reading Police Department checked on the night of June 18, 1967, reflected no record of any such disturbance. A recheck was made June 19, 1967, indicating there had been a minor altercation, but the facts were apparently grossly distorted by [redacted]. According to the police reports, the following transpired:

b6
b7C

At 7:36 p.m., June 17, 1967, an anonymous caller reported a fight in the 100 block of South 4th Street, Reading, Pa. Car #7 with two officers responded and found [redacted], colored, age [redacted], of [redacted], Reading, and ROY FRANKHOUSER, age 27, had been fighting. Officers told the two to "break it up and move on," and FRANKHOUSER did depart, but [redacted] defied the officers and was brought to the Juvenile Bureau where he related that he and his friend, [redacted], age [redacted], of [redacted], had been walking south on the west side of South 4th Street when FRANKHOUSER on the east side of the street observed them and ran toward them. [redacted] said he took off his belt and swung at FRANKHOUSER. FRANKHOUSER grabbed the belt and struck [redacted] whereupon she ran. At this point the officers arrived and broke up the altercation. "ROY FRANKHOUSER still jumps with the Pennsylvania Airborne Rangers. The air rescue team will parachute to the assistance of any survivors.

"As an organizer for the ILGWU and as a Socialist I, GEORGE LARRABEE have met three veterans of the WW II 82nd Airborne, two union organizers, the other a member of the Socialist Workers Party. Having met many other veterans in these categories, and looking upon ourselves, could this mean something?"

Carbon copy of this letter bears the typed and written signature of GEORGE LARRABEE and the address "New York City, N.Y." It bears the typed signature "ROY FRANKHOUSER, JR., Reading, Pa.," but no written signature.

PH T-1 advised on June 9, 1967, that ROY FRANKHOUSER had examined the above two items and appeared overjoyed they had been found. FRANKHOUSER indicated these were the items he had been looking for and that he intended to send them to New Orleans District Attorney GARRISON in the near future.

A characterization of the Young Socialist Alliance is included in the appendix section of this report.

According to what [redacted] said [redacted] had the windshield replaced the same night by a friend and the matter was never reported. [redacted] said that [redacted] is convinced that FRANKHOUSER either did the shooting personally or arranged with one of his group to do it, and [redacted] is afraid of FRANKHOUSER.

YOUNG SOCIALIST ALLIANCE

The May, 1960 issue of the "Young Socialist", (YS), page 1, column 3, disclosed that during April 15-17, 1960, a national organization entitled, "The Young Socialist Alliance" (YSA) was established at Philadelphia, Pa. The issue stated that this organization was formed by the nationwide supporter clubs of the publication YS.

The above issue, page 6, set forth the founding declaration of YSA. This declaration stated that the YSA recognizes the Socialist Workers Party (SWP) as the only existing political leadership on class struggle principles, and that the supporters of the YS have come into basic political solidarity with the SWP on the principles of revolutionary socialism.

A source advised on May 23, 1966 that the original YSA was an organization formed during October, 1957, in New York City, by youth of various left socialist tendencies, particularly members and followers of the SWP. The leaders of this group were the guiding forces in the establishment of the national organization.

The source further advised on May 23, 1966 that the YSA is dominated and controlled on a national basis by the SWP through having SWP members comprise exclusively the National Executive Committee (NEC). The YSA, in reality, is the youth and training section for the SWP and the main source of new SWP members.

The headquarters of the YSA are located in Room 535, 41 Union Square West, New York City.

The SWP has been designated pursuant to Executive Order 10450.

[redacted] By airtel dated 7/5/67 Kansas City advised that who temporarily had possession of some mail at the attendance of the National Convention of Patriotic Party in Kansas City made available this mail for copying.

The enclosed letters detail plans for Minutemen training session to be held in August near Minersville, Pa.

One letter is signed Captain SHAWN LE ROY FITZPATRICK and the other only as SHAWN. It is believed the above name is a pseudonym for ROY FRANKHOUSER, former head of the Minutemen and KKK in Pennsylvania.

All agents receiving copies of this memo should attempt to identify SHAWN O'NEILL. It is to be noted that Philadelphia indices make reference to SHAWN O'NEILL to the file of ROY FRANKHOUSER in March 1966. An intensive check of that file fails to locate the mention of the name.

All agents are requested to make appropriate inquiry concerning the prospective training session. Appropriate agencies should be notified of the information.

dear [redacted]

The training session for the East Coast, will not be held in West Virginia, as planned. It instead will be held in Pennsylvania. I have offered the use of the forty thousand acre strip mining area north of Minersville. This area would be ideal for our guerrilla training. It is up to you to get the co-operation of the Minersville unit immediately. I would contact your contact [redacted] right away, and also [redacted] of [redacted], as his brother is the owner of the property. Note, however I would tone down the importance of what it is to be used for, so as not to unduly alarm the Minersville unit. Now more than ever the security will have to be tighter than it has ever been.

b6
b7C

The group may number as low as twenty, or as high as seventy. There will be key network network men who will take their training back to their networks and units. There are many problems that this poses. I will need your help in solving any of these complex problems that will be involved. I would suggest some of the following methods of operation:

Familiariz some of your men, as well as yourself with the area so that they may act as guides.

When we prepare the printing to be sent out to the networks, I would STRESS that they bring no ILLEGAL arms or weapons. I would also STRESS no NO SIDEARMS UNLESS they have a valid Pennsylvania permit. They may, of course bring their rifles, shotguns, and ammunition. We will supply pistol training with our own weapons. This will keep us out of trouble with the law.

I would allow NO explosives unless, of course licensed for the mine work. This will also keep us within the law. We can work up other training aids to simulate nitroo, plastic, and so forth. I will leave it up to you to work out the prototypes.

The rest of the training program will be left up to the instructors who come out to do the job. I firmly recommend for your approval as soon as the date is worked out, and the time involved, we could work out a method of collecting the people at safe assembly points, add transporting them into the training area. In short, none of the trainees will know where they are going, or where they have been. It is also essential to find several safe places for them to park their cars while they are engaged in the week of training. If any people have to leave during the training program, they will be blind folded or be put into the back of the panel truck and taken to the town where they were picked up, and let go. If the finks get in somehow, they will be entirely in our custody during the period of our training and will be prevented from making any contact which would lead to surveillance of our area. our local unit will supply us with food and any other essentials which will be needed.

I would advise all of our personnel from the local area to adopt aliases and state that they are from the local area outside the area too.

There will be no going outside the area to "call the wife, etc." There will no going out of the area "to get a pack of cigarettes in town"

Code names will be issued and used. Tight security will be observed. Of the local members, who will act as cadre will be able to commute and should establish a parking area away from camp. They will be picked up by the base vehicle.

There is also the added burden of taking care of the instructors,

who will arrive about a week early to familiarize them selves with the area and get ready for the training. I will put them up in my house. They will need your help, of course, in getting familiar with the area and getting your advise, and so forth. An added security measure will be involved, as number one, himself will be at our camp, or so he has indicated.

Dear [redacted]

b6
b7C

The Patriotic Party Convention was something too see. The vibrant speakers present brought the audience to their feet in standing ovations time after time in the defense of America. I raised a couple of questions which brought the audience to their feet again and again in standing ovation. The convention was a great success. You would have loved every minute of it.

Of course you know that we backed Waalace and Patrick.

I will pack tons of the enclosed material to send back to you in the near future. I am sending these samples to you to whet your appetite.

I have made many contacts, one of which is will be one of the most important links in our radio network. This man knows his buisness in electronics I do not think he crackes under preassure. He did not do so when he was arrested in New York with the others in October. He is currently working on radio controlled explosive devices. He will also be in our area for the the training and also at other times to help us set up our radio link.

You will have to spread it around the group that we will need money for other things besides loading equipment. We will need such equipment as radio equipment, surveillance material and the like.

I know that the financial demands on you have been great, and will probably be greater in the future. It is time you stopped digging into your pocket and demanded that the membership pay their fair share. A cllassic example is [redacted]. Get his friend [redacted] to put up some of his millions or else he won't have a country in which to spend it. You have to stop spending your own money, and get some of the money that is being wasted.

b6
b7C

As for me, I agreed to come out here to attend the convention and the training school. I guarantee you that I will get you as much material as possible including the MG papers. I said I would do so on a liberal budget of \$100.00 plus my round-trip fare. This is what I agreed to at the unit meeting. You sent me here with \$75.00 total. \$38.00 went for bus fare. This left me with \$37.00. I have managed to buy some material and get free from Bob some room and board at the hotel which otherwise would have cost me \$10.00 per day. I have \$14.00 left. If I was to be given \$100.00 expenses, for the several weeks that I am going to be out here, that would mean that \$67.00 would still be forthcoming plus \$38.00 for bus fare. I am not asking for that amount. I am just asking for enough to eat while I am out here and for necessary expenses. Please send me my bus fare at least. Don't leave me out here.

I have been out here and will be out here for several weeks, but will come back as soon as I can to set up the training camp.

I can get stuff here that cannot be obtained in the East. An example of this is hypodermic syringes which are pre-sterilized and can be hidden in caches indefinitely. They are about \$7.50 for thirty of them. They are not meant to be re-used but they can be re-used if necessary. I am also getting the formulas for several important poisons.

Yours truly,

According to FRANKHOUSER, the Eastern training session will commence on Monday, 7/31/67, and will be held on the 40,000 acres of land owned by the brother of [REDACTED]. This land is located north of Minersville, Pennsylvania, and is the same land referred to in Kansas City airtel dated 7/5/67. [REDACTED] as yet has not seen this property. However, FRANKHOUSER stated a road has been cleared into the property and some blackboards for classes and other equipment will be delivered there.

b6
b7C
b7D

FRANKHOUSER has stated he does not want to have any explosives, machine guns or pistols at the training grounds. He suggested that this would just be inviting trouble from law enforcement agencies.

While discussing possible law enforcement difficulties, [REDACTED] stated that "If the FBI or anyone else tries to come into the training session, he will shoot to kill." FRANKHOUSER nodded his assent to this announcement by [REDACTED].

b6
b7C

[REDACTED] has been unsuccessful in attempts to learn the location of caches of arms and explosives that FRANKHOUSER claims he has. While discussing these caches, FRANKHOUSER told [REDACTED] that all the caches have booby traps. Should the caches be disturbed a bomb will explode and destroy the contents as well as the intruder.

b7D

In Reading, on 7/23/67, FRANKHOUSER pointed out a discotheque located on Penn Street at about 5th Street or Avenue. This is run by the American Council of Churches and caters to both white and Negro teenagers, according to FRANKHOUSER. In discussing this discotheque, FRANKHOUSER stated "someday it will be blown up so badly it will never be able to be rebuilt."

FRANKHOUSER told source that following the Minutemen training session in Independence, Mo., held from 7/5-8/67, he accompanied BOB DE PUGH and WALTER PEYSON on a trip to Chicago, Detroit and other unspecified cities. FRANKHOUSER stated that on this trip "we did

things like he never knew of." [] stated FRANKHOUSER would not further elaborate on this trip. However, [] stated he was furnishing this information in view of the fact there is racial strife in the Chicago and Detroit areas and the Minutemen might possibly be involved.

b7D

FRANKHOUSER stated that on Thursday, 7/27/67, BOB DE PUGH, WALTER PEYSON and possibly [] from Connecticut are expected to arrive in Reading in connection with the Minutemen training session commencing 7/31/67.

b6
b7C

[] advised that on Thursday morning, 7/27/67, he will accompany FRANKHOUSER to Allentown, Pa., where they will visit a radio store in order to obtain a radio capable of monitoring police radios.

b7D

[] described FRANKHOUSER as emotionally immature, highly emotional, unpredictable in behavior and erratic in thought. He considers FRANKHOUSER's mental and emotional state to be such that he is dangerous.

b7D

[] advised that FRANKHOUSER believes he is suffering from an allergy. Even though it has been extremely hot in Reading, FRANKHOUSER at night turns off the air conditioner, closes and seals all the windows and sleeps under three blankets. In the morning FRANKHOUSER sweeps the small rug in his bedroom with a whisk broom in order to remove any dust that has collected.

b7D

During the training session FRANKHOUSER has planned to have 20 mile hikes every day, carry 60 pound packs and set up a new camp every night. There will be courses on map reading, guerrilla warfare, survival techniques and rifle practice.

[] stated he finds it physically difficult to keep up with FRANKHOUSER who thinks nothing of walking 15 miles a day in the Reading area.

FRANKHOUSER insists that he [REDACTED]

b7D

[REDACTED] stated he is trying everything possible to avoid these activities prior to the actual beginning of the training session because he is [REDACTED] and also because he is not in condition to withstand the type of primitive living that FRANKHOUSER has planned.

b7D

[REDACTED] stated that in view of the physical demands on him by FRANKHOUSER as well as his [REDACTED] it could be necessary for him to depart prior to the end of the training session. In this regard [REDACTED] stated he has obtained a supply of [REDACTED]

However, his special diet will be interfered with during the training session. These factors combined with the physical exhaustion resulting from the training planned by FRANKHOUSER could cause serious illness, possible to the point of going into a coma.

~~CONFIDENTIAL~~

Our reasoning is as follows: Three possibilities present themselves.

(1) The "Berks County Record," local newspaper, Reading, Pa., has in the past run an expose series on FRANK-ROUSER. The paper would undoubtedly be delighted if we were to lead them to the present activity. We do not believe, however, that this could be done with safety, or that we could trust the paper not to disclose the FBI as their source.

(2) Police action could undoubtedly be initiated if we were to suggest it. We have alerted the PSP, the Reading PD, and the Minersville PD to the fact that the training session will be held. We also have discreetly ascertained that they do not have plans to make arrests at the training session. This information was obtained with need in mind to protect [redacted] from [redacted]

b7D

[redacted]. Action taken by the Reading PD at FRANKROUSER's home would be somewhat questionable. As matters stand at this time the Police Department has little or no legal basis for arrests or the service of a search warrant. We will remain alert for any information that will give them a legal basis as out of towners may arrive.

Action by the State Police would have to await the actual start of the session and as matters now stand, will probably depend on whether they receive complaints from citizens regarding the training session which would either require them to move in or given them a definite excuse for moving in. Police action in the rural area where we believe this training session would take place would normally be handled by the PSP.

(3) We have in the past engaged in a Bureau-approved counterintelligence with [redacted] of [redacted] [redacted]. That operation had hate groups as the target. At that time [redacted] specifically asked if we could advise him if any Minutemen training session took place in our territory as he would like to cover it and expose it. As yet nothing has been taken up with [redacted] regarding

b6
b7C
b7D~~CONFIDENTIAL~~ 72 -

instant session for the following reasons:

(a) It is believed that we should at least permit the participants to gather, plan, and start the training session in the hope that we will be able to develop intelligence information including the identities and activities of the participants. Accordingly, it is our thinking that any information given to [redacted] should not be furnished in advance of the session but should await the developments once it is underway. b7D

(b) If [redacted] should expose the training session without the State Police taking action, the State Police would undoubtedly feel they are subject to criticism. b7D

(c) If arrests are made we again have a problem of the effect on [redacted]. b7D

RECOMMENDATION:

For the reasons set forth above, it is Philadelphia's recommendation that we do not get into a counterintelligence operation at this time but that we remain alert for developments which indicate the desirability of advising one or another of the Police Departments of a specific situation on which they should and can take action. This office will not initiate such a counterintelligence operation in any event without first discussing the matter with the New York Office for their views on [redacted] and without clearing with the Bureau. b7D

She related that she had not met DE PUGH and had gone to Dearborn, Mo., by mistake. Her purpose in trying to meet DE PUGH was to get information on the Minutemen for CLYDE VOGEL, local John Birch Society leader. VOGEL is a close friend of hers and is allegedly interested in affiliation with the Minutemen, but does not want to associate with FRANKHOUSER, and would prefer a separate group. RICHARD SINGLETON, ARLAN BECK, JOHN CANARIS and a fourth white male met at SINGLETON's home earlier this evening. SINGLETON told the others present that ROY FRANKHOUSER had recently been in Missouri and completed a one week course at Minuteman Headquarters. Later he mentioned this had been over the Fourth of July. SINGLETON feels that Minuteman activities will increase locally now that FRANKHOUSER is the head of the Minutemen in the Reading area.

SINGLETON said that there will be a meeting in New Jersey during the coming weekend, possibly on Friday 7/28/67. It will be a rally in support of GEORGE WALLACE of Alabama in his bid for Presidential nomination. WALLACE will reportedly be present. SINGLETON said that all the Minutemen from this area plan to attend. He explained that the Patriotic Party plans to give WALLACE full support in his campaign.

SINGLETON mentioned that he and several other local Minutemen had financed FRANKHOUSER's trip to Missouri. SINGLETON indicated he was not so much interested in weapons and demonstrations as he was in support of the Patriotic Party, the political arm of the Minutemen.

[redacted]. According to FRANKHOUSER, [redacted] will do the actual burning and [redacted] will drive the car. FRANKHOUSER stated the purpose of this is "to scare some Niggers". FRANKHOUSER furnished no additional details or identifying data regarding this plan.

Reference is made to NY airtel dated 7/26/67, in which it was stated FRANKHOUSER and BOB DE PUGH and WALTER PEYSON had made a trip to Detroit, Chicago, and other undesignated cities. [redacted] stated that FRANKHOUSER again made reference to this trip, but he stated he would not further elaborate on it due to security reasons. FRANKHOUSER stated that if source was told any more about it he could certainly connect it with articles reported or to be reported in newspapers. b7D

The discotheque referred to in referenced airtel has been identified by [redacted] as "The Source" and is located at Penn and 6th Street in Reading. FRANKHOUSER stated he could not blow up this place without specific orders to do so. However, on the orders of [redacted] he will do it.

[redacted] stated that [redacted] lives in Laureldale, Pennsylvania. [redacted] borrowed [redacted] which the source had [redacted] at the request of FRANKHOUSER [redacted] subsequently reported on the evening of 7/25/67, that [redacted] showed that his room was bugged. [redacted] stated he went to the phone to report this to FRANKHOUSER and upon returning to his room after making the telephone call, [redacted] indicated that the bug had been removed. [redacted] noted that [redacted] might have [redacted] or might be exaggerating

b6
b7C
b7D

[redacted] stated that FRANKHOUSER is in possession of a radio capable of monitoring police radio calls. He keeps this radio in an upstairs room in his home, and source

b7D

NY 62-12699

has seen it and actually listened to the monitoring of the Reading and Berks County Pennsylvania police calls. FRANKHOUSER operates the radio on 148 to 174 megacycles in connection with this monitoring. [REDACTED] b7D

[REDACTED] started monitoring in an attempt by FRANKHOUSER to discover the frequencies utilized by the FBI and the State Police.

Regarding this radio in the possession of FRANKHOUSER, FRANKHOUSER claims to have obtained it from a man who either owns or works in a garage in the Reading area. According to FRANKHOUSER, this individual obtained the radio at cost from the Reading police as a reward for his having assisted the police in the apprehension of two Negro fugitives.

On 7/25/67, FRANKHOUSER gave the source some stickers which bore the picture of a skull and crossbones and the inscription which said in essence, "Niggers Beware. If You Don't Stop This Year You Will Die." FRANKHOUSER stated he had obtained these stickers from GEORGE LINCOLN ROCKWELL, head of the American Nazi Party. FRANKHOUSER requested the source to paste these stickers in some suitable locations.

During a conversation with FRANKHOUSER on 7/25/67, FRANKHOUSER stated that the Minutemen will be ready for a full revolution within a few months. He stated in this connection that their preparations are already extensive and that a great number of .30 and .50 caliber machine guns, as well as tens of thousands of rounds of ammunition are safely hidden, but in readiness.

[REDACTED] advised that on Saturday, 7/29/67, BOB DE PUGH, [REDACTED] and ROY FRANKHOUSER will go to the site where the Minutemen training session will be held. While in Reading, DE PUGH and WALTER PEYSON will stay with a Minutemen official, not at the residence of FRANKHOUSER.

b6

b7D

NY 62-12699

[redacted] stated that during [redacted]
[redacted], reference was made to
the fact that President JOHNSON would be in the Reading,
Pennsylvania area on 8/10/67. They merely referred to this
fact, with no elaboration or stating the purpose of this
visit by the President.

b6

b7D

The above is not being disseminated in an LHM.
As previously noted, the truth of this information furnished
to [redacted] is not known. Should this information come
back to FRANKHOUSER through sources he claims to have, it
would be obvious that [redacted] is an informant. For this
reason Philadelphia should be most circumspect in its dealings
with state and local law enforcement agencies.

"THERESA KLEMM said that she, together with Dr. CLYDE VOGEL and Dr. VOGEL's wife, [REDACTED], had been out to Brenneman's Quarry on the State Hill Road near Reading, Pa., earlier this date and had been firing .30 calibre carbines there. "Mrs. KLEMM claimed that ROY FRANKHOUSER had visited Dr. VOGEL sometime in the past and attempted to interest VOGEL in joining FRANKHOUSER's group, but VOGEL wanted nothing to do with FRANKHOUSER. Mrs. KLEMM said that Dr. VOGEL will be very selective in those persons he admits to his organization. Mrs. KLEMM also stated that Minersville American Legion Commander VESAY has a number of guns. Commander VESAY, according to Mrs. KLEMM, feels he has been wasting his time making speeches, and has decided to become more active. Mrs. KLEMM said she intended to 'go over' the material she had gotten from ROBERT DE PUGH, the Minuteman leader from Missouri; she is going to meet with Dr. VOGEL for this purpose."

FRANKHOUSER has been active in various racial groups for a number of years, including ANP, NSRP, UKA, KKKK and the Minutemen. He has been for the most part a leader in activities of these groups, and is a braggart and liar, making grandiose plans which never materialize, although he is characterized as an outstanding speaker and able to forcefully address groups along these lines.

MINUTEMEN
III

On 6/29/67 Mr. NORBERT D. FLEMING, 1001 Laurelee Avenue, Riverview Park, Reading, Pa., was contacted at the Polymer Corporation, 2120 Fairmont Avenue, Reading, Pa., where he is an officer, in response to his telephonic request.

Mr. FLEMING made available several pieces of Minutemen literature, and one envelope addressed to himself bearing no return address but postmarked Reading, Pa., 6/19/67, and related the following:

About two months ago he received at his home by mail some literature regarding the Minutemen. He immediately destroyed it upon realizing what it was. Several weeks later he received a second similar envelope and contents, consisting of a single letter-size mimeographed letter addressed "Dear Friend" and bearing, as did the three-page enclosure, the caption "United Front Against Communism." The cover letter made mention of a prior letter dated 3/28/67 and was signed (typewritten) Mr. [REDACTED] c/o [REDACTED], Reading, Penn. Mr. FLEMING said when he received the second item he became angry and tore up the envelope but retained the material intending to give it to the authorities.

On 6/21/67 he received the third letter, as the others. He retained this complete. The envelope bears no return address, but is postmarked Reading, Pa., 6/19/67, and is addressed to him correctly except that it bears no middle initial and he always used his middle initial "A." Also "Park" is omitted from the correct address "Riverview Park, Reading, Pa." Mr. FLEMING noted that he placed the notation regarding the FBI and "Mr. [redacted]" on the latest received item after calling the FBI.

b6
b7C

The latter item consists of a four-page mimeograph report on the status of the Minutemen. It lists national HQ as being Box 184, Muncie, Kansas, and the local United Front Contact as Mr. [redacted] c/o [redacted], Reading, Pa. Included in the latest letter to Mr. FLEMING are a report form IN-2 allegedly reprinted by the "Penn. United Front" to be filled out and mailed to the temporary drop at Muncie, Kans., also a sheet containing applications for reservations to a series of "Resistance Warfare Training Programs," to a Student Training Program, and an application for employment at the Training Camp.

b6
b7C

Mr. FLEMING is at a loss to understand why this material was mailed to him, he denied having ever had any affiliation with the Minutemen or any "subversive organization." He stated that he belongs to a number of organizations, mainly professional engineering groups and the Knights of Columbus. He formerly belonged to one sportsmen's club, the Mohnton Fish and Game Protective Association, RD #1, Mohnton, Pa., where he used to shoot and trap, but this membership was allowed to lapse a couple of years ago. He is not a member of the National Rifle Association, and has "no more than normal interest in guns, shooting, and hunting." He is 62 years of age and is a supervisory official of the plastics concern by which he is employed. Mr. FLEMING stated he will immediately furnish to the FBI any additional material of this type that he receives.

DM
ASSASSINATION OF PRESIDENT
JOHN FITZGERALD KENNEDY
NOVEMBER 22, 1963
DALLAS, TEXAS

A source who has furnished reliable information in the past advised May 20, 1967, that ROY E. FRANKHOUSER, Reading, Pa., was in possession of the following items:

- (1) A membership card in the Young Socialist League in the name of ROY HOUSER.
- (2) A carbon copy of a letter, as follows -

"March 23, 1960

"Dear Comrade BARRETT:

"Hearing of the formation of the Socialist Discussion Club at the University of Iowa through the Young Socialist, and that you were the chairman of it, the undersigned sends fraternal greetings.

"This is because, like yourself, we are former paratroopers (82nd Airborne Division) and thought it fitting that we should let you know that former members of a military brotherhood that you once belonged to are also with you in a youth movement that opposes Militarism and War but which nonetheless may be called upon in the carrying out of its liberoly task to display courage and daring even greater than that required by the Paratroops.

"GEORGE LARRABEE (PFC 105th A.I.R. 82nd Airborne 51-53) is an editorial Board Member of the Young Socialist and Young Socialist Supporters National Committee under the name of GEORGE PAYNE. (See Young Socialist March issue cartoon.)

'of the Rangers, not the commando end of it. The air rescue team will parachute to the assistance of any plane crash survivors irrespective of their military or civilian status.

"As an organizer for the ILGWU and as a Socialist, I, GEORGE LARRABEE have met three veterans of the World War II 82nd Airborne, two union organizers, the other a member of the Socialist Workers Party. Having met many other veterans in these categories, and looking upon ourselves, could this mean something?

"/s/ GEORGE LARRABEE
GEORGE LARRABEE,
New York City, N. Y.

/s/ (Unsigned)
ROY FRANKHOUSER, JR.
Reading, Pa."

The above-mentioned source advised June 9, 1967, that ROY FRANKHOUSER had reviewed the above two items and appeared overjoyed that they had been located. FRANKHOUSER indicated that these were the items he had been looking for to send to New Orleans District Attorney GARRISON, and that he intended to send them to GARRISON in the near future. This source pointed out, as he has in the past, that FRANKHOUSER is a liar, a braggart, and often makes impressive statements or plans which he never carries out.

A characterization of the Young Socialist League is attached hereto.

This document contains neither recommendations nor conclusions of the FBI. It is the property of the FBI and is loaned to your agency; it and its contents are not to be distributed outside your agency.

Young Socialist League (YSL)

The 3/1/54 issue of the "Young Socialist Challenge," published as page 3 of "Labor Action," an official publication of the Independent Socialist League (ISL) contained an article concerning the creation of the YSL, which pointed out that at a unity conference occurring 2/12-14/54, at Labor Action Hall, New York, N. Y., a merger occurred between the Young People's Socialist League (YPSL) and the Socialist Youth League (SYL). The new organization was named the YSL.

T-1 on 6/15/54 made available the minutes of the YSL's National Action Committee meeting on 4/13/54, which reflected that one S. SITEMAN, "Chairman of the SP (Socialist Party) Youth Committee," had objected to a statement appearing in "Commerce," a New York University journal, which indicated that the YPSL merged with the SYL to form the YSL. He explained that the YPSL did not merge with anyone, that it continued to exist as the youth action of the SP. He explained that a small group of the YPSL was dropped, expelled or suspended from that organization and joined the SYL, which he characterized as the youth group of the "Trotskyite ISL." He explained that after these few former members of the YPSL joined the SYL, the SYL then proceeded to change its name for its own purposes.

On 4/9/56 T-2 advised as follows:

The YSL has frequently worked in close sympathetic cooperation with the ISL toward similar objectives, although each major issue given mutual consideration is decided upon by these organizations individually. The YSL serves as an apprenticeship for the ISL, but ISL selection of members from YSL ranks is made on an individual and personal basis. In many instances YSL members are also members of the ISL. The YSL and the ISL utilize the same printing house at New York City and the YSL publication is printed as an insert in "Labor Action." Frequently lecturers before the YSL are ISL members.

The 9/22/58 issue of "Young Socialist Challenge," which appeared as page 5 of "Labor Action," contained an undated statement from the National Action Committee of the YSL which indicated that the YSL had been dissolved. The statement appeared under the caption "Join the Young Peoples Socialist League."

The YPSL is probably known as the youth affiliate of the Socialist Party - Social Democratic Federation.
